

### Welcome

As the Summer holidays fast approach we can look back over another successful year for SIFC. We have seen skaters compete at all levels - from the club's own competitions, to the Opens, European competitions and the British Championships. Some skaters have skated for the very first time in a competition, whilst others have probably lost count as to how many they have entered. Many skaters have passed tests either through NISA or the Skate UK programme.

As we look ahead, the next major event for us as a club, is the Swindon Open in October. This is a great fund raiser for the club and even if you are not skating, then you are very welcome to come along as a spectator or even better, a volunteer helper.

**So as this skating year draws to a close, I would like to remind you all that the last club date will be Thursday 28<sup>th</sup> July and we return to the ice on Thursday 1<sup>st</sup> September with Ruby, Amethyst and Sapphire groups on first at 6.15pm.**

I hope you have a great summer holiday and look forward to seeing you all in September.

### Club Dates

Last club night 28<sup>th</sup> July 2011

**Back to club - 1<sup>st</sup> September**

**Awards on Ice - 15<sup>th</sup> September 2011**

**Swindon Open - October 2011 tbc**

### Awards evening

Thank you to all of you that responded to our email regarding this year's awards evening. Sadly with a club membership of 65 we had less than half respond positively and after lengthy discussions have decided that an awards event as we have hosted in the past is not an event we can host. However we are still keen to celebrate all of our skaters and their hard work and dedication therefore we will be hosting a smaller awards evening on the ice on the **15th September 2011**.

### Code of conduct

Following recent discussions with the club coaches it has been brought to our attention that there is concern over the attitude of some of our skaters. The coaches feel on occasions that they are wasting their time as skaters are too busy chatting rather than listening to what they are meant to be doing. Whilst we appreciate that club is a hobby for some it is also a club for developing the sport of figure skating and we use professional coaches to train skaters to the best of their ability. We have therefore introduced the code of conduct. Skaters will be given a verbal warning when their behaviour is disrupting groups. If behaviour or attitude continues skaters will be asked to leave the ice for 5 mins. If a skater is spoken to again they will be asked to leave the ice and meet with the coaches at the end of their session with their parent to discuss the recent event. Coaches will also be keeping a record of skaters that continue to display disrupting behaviour so this can be addressed. We hope that this is met with support from skaters and parents and if anyone has any concerns regarding this new policy then please put in writing addressed to SIFC committee and we will discuss at the next meeting.

### **Lovetoskate**

As some of you may know Bev Leahy from Swindon business **Love to Skate** who has provided so many of our glittering skating costumes over the years has decided to hang up her scissors and needle and thread and do something different. She will be greatly missed among the skaters (and mum's) from SIFC and we would like to wish her all the best in the future.
