

Our skater **WON**.....

Recently we asked for your support for Swindon Ice Figure Club's very own Isabella Larkin who had been nominated in the category of 'young sportswoman of the year' in this year's first ever Sports awards run by the evening advertiser..

On Thursday 3rd Feb Isabella was invited, along with the other finalists, to attend the Evening Advertiser's awards evening as she had been shortlisted as one of the finalists. She attended the event with our very own Head coach Lesley Pearce and her father Bryan Larkin.

I am thrilled to announce that Isabella won the award and is now currently this year's 'Young Sports woman of the year'.

SIFC would like to thank all of our members who voted for Bella and I know that Bella was thrilled at the support she got.
